

South Carolina Society SAR Report to South Atlantic District
20 December 2016

The SCSSAR had a very active Fall with two new Patriot grave markings. The Daniel Morgan Chapter recognized the grave of 2nd Lt. Daniel Gilbert and the Gov. Paul Hamilton Chapter recognized the grave of Col. Isaac Hayne who was hung by the British in Charleston.

Many Chapters participated in Veterans Day Parades including the Matthew Singleton, Thomas Lynch and Col. Lemuel Benton Chapters.

Kings Mountain went off in spite of hurricane Matthew thanks to the SCSSAR and The NCSSAR.

The Thomas Lynch Chapter wrote the script for the Revolution on the new Veterans Memorial Wall in Georgetown SC.

All of our events have seen more youth involvement which is a goal for this year.

Our new online publication of the Palmetto Patriot is going well with more members using the new online delivery

The SCSSAR will hold its annual meeting in Beaufort SC which is drawing much interest and we are expecting a good turnout on Apr 21 & 22, 2017.

The SCSSAR is experiencing good growth in membership, with 901 members as of Dec. 20, 2016.
